Subject: Scholarship Information and Application

Dear Counselor:

We are very pleased to announce that our \$1,000 scholarship award will be available for up to ten qualifying high school students for the year 2010. Please find enclosed a flyer that should be posted in the counseling center for students to see, a cover letter and an application form. We would appreciate it if you could make copies of the cover letter and application for distribution to interested students. If you should need additional copies of the application you can visit our website and obtain one, [www.PolishHeritageRochester.org/](http://www.PolishHeritageRochester.org/). I do recommend interested students to go to our website and download our application and complete it on their computer.

To be eligible for our scholarship a student must be a senior who is of Polish descent (at least one parent) and lives in Monroe County or one of the surrounding six counties. The student must file an application by the February 1, 2010 deadline. The student is required to have an official copy of his/her academic transcripts mailed to us by your high school.

We appreciate your interest in making students aware of our scholarship awards and helping them obtain the application form.
